

GREYCOURT

Pittsburgh, PA (September 17, 2018) – Greycourt announced today that Ann Thivierge has joined the firm as a Managing Director. Ms. Thivierge is opening Greycourt’s New York office and will serve as a member of Greycourt’s Advisory Team and Management Committee.

“We are thrilled to have Ann join our team,” said Greg Friedman, Greycourt’s CEO, in an internal announcement last week. “Her expertise as an investor combined with her years of experience as a trusted advisor to clients makes her an ideal fit for our company.”

Ms. Thivierge joins Greycourt from Morgan Stanley Investment Management where she began her career in the Fiduciary Group, which advised large public and private plans on asset allocation and manager selection. From there, she moved to a portfolio manager role on one of MSIM’s long-standing macro-equity products, managing global equity assets for several of the world’s largest pension funds. In that role, she became an astute observer of economic regimes and market cycles, a well-regarded top-down equity investor, and a valued client advisor. In addition to building an extensive professional network over the years, Ms. Thivierge has been active in bringing her investment acumen to several not-for-profit boards and investment committees.

Greycourt’s Chairman, Gregory Curtis, said “We are delighted that an investor of Ann’s caliber has decided to join our remarkable team – and on the occasion of our 30th anniversary as a firm. She will be a prominent member of the next generation of leadership at Greycourt.”

Greycourt is an independent investment advisory firm with a team of investors who simplify complex situations for wealthy families and family offices. Greycourt has five offices located around the country: Pittsburgh, Pennsylvania, Portland, Oregon, New York, New York, Houston, Texas and Minneapolis, Minnesota.
